***In-Kind donations** refer to non-monetary donations. You may record the fair market value of donations such as supplies or donated rehearsal space that you otherwise would have paid for if they had not been donated. Do not include the value of volunteer hours by artists. Any in-kind contributions must also be reflected in the expenses. i.e. If you receive an in-kind donation of rehearsal space valued at \$500, you should also record an expense of \$500 for rehearsal space rental.
