BUSINESS ASSISTANCE PROGRAM

If you plan to relocate your business to Louisville, or to significantly expand your existing Louisville business, you may qualify for assistance in the form of rebates.

REBATES BETWEEN
40-50%

Type of City rebates available include:

- > Building Permit Fees
- > Construction Use Tax
- > Sales Tax
- > Sign Permit Fees
- > Consumer Use Tax

Some properties may also be eligible for a Vacancy Bonus

Rebates generally range between 40% - 50% depending on the type of business and amount of investment being made, as well as the demonstrated match with program criteria.

An application for assistance must be completed before a company leases or purchases a Louisville location. Applications where incentives are valued at less than \$50,000 are eligible for administrative approval. All other applications generally take three to four weeks to process, as they must be considered by City Council in a public meeting.
